

# PRIMP DOGGY

Fashion Apparel for the Well-Heeled DOG

## SIZING CHART

PRIMP DOGGY is dedicated to designing uncommonly tasteful canine apparel that will not inhibit the movement, comfort, or lifestyle of your dog. Toward that goal, we have established our own sizing chart and we ask that proper measurements be taken to ensure the best fit for each dog. Furthermore, we do not presume to determine which particular breed of dog might fit within a specific size as all dogs are individuals regardless of their breed.

The Velcro closures at the neck and chest allow for each outfit to be adjusted for maximum comfort and fit. In each of the length, neck, and girth columns the actual measurements will be listed first, followed by recommended allowances to accommodate each dog's measurements while maintaining the best tailored fit for maximum comfort and style.
